CHANDIGARH ADMINISTRATION
FINANCE DEPARTMENT

Notification

The 20th July, 2020

No.11/2/70-UTFI(4)-2020/9664.—In partial modification of the Chandigarh Administration, Finance Department Notification bearing No.11/2/70-UTFI(4)-2018/5900-5903, dated 24h April, 2018 and in exercise of the powers conferred under Section 5(2) and Section 22(1) of the Capital of Punjab (Development and Regulation) Act, 1952 as adopted by the Punjab Re-Organisation (Chandigarh Adaption of Laws on State and Concurrent Subjects) Orders, 1968, the Administrator, Union Territory, Chandigarh is pleased to make the following rules further to amend the Chandigarh Building Rules (Urban)2017, notified *vide* No. 11/2/70-UTFI(4)-2017/6994A, dated 25 July, 2017 :

1. **Short Title and Commencement :**

- (i) These rules may be called the Chandigarh Building (Amendment) Rules (Urban), 2020.
- (ii) These shall come into force from the date of its publication in the official gazette.

2. In Rule 3 of the Chandigarh Building Rules (Urban) 2017, the existing clause (74) may be read as under :

" Self Certification means seeking approval of building plan which may be duly prepared, certified and submitted by the Architect registered with the Council of Architecture, in accordance with the provision as laid down in the Architectural Control Sheet/zoning and as per the parameters/policies issued by the competent Authority from time to time. The building plans shall strictly adhere with the provisions of the Chandigarh Building Rules (Urban) 2017, notified *vide* No. 11/2/70-UTFI(4)-2017/6994A, dated 25 July, 2017 under the Capital of Punjab (Development and Regulation) Act,1952, as amended from time to time. "

3. In the Chandigarh Building Rules (Urban) 2017, the existing Rule 11.1.2, in respect of Commercial, Residential and Industrial Buildings, shall be substituted as under :

11.1.2 SELF CERTIFICATION.

"Self-Certification of Building plans in respect of Commercial Buildings (SCFs, SCOs, Booths, Service Shops, Bay Shops and similar buildings),

Residential and Industrial Buildings upto 2 kanal category governed by Architectural/Frame Control Sheets/zoning shall henceforth be mandatory by Registered Architects holding valid registration with the Council of Architecture, New Delhi. This provision will empower Registered Architects to sanction building plans, pertaining to commercial, residential and

(d) Structural Stability Certificate (Form J)

The owner shall submit Structural Stability Certificate issued by the Registered Structural Engineer as prescribed in the form "J" annexed with these rules certifying that the structural design including safety from natural hazards based on soil conditions has been duly incorporated in the design of the building and these provisions shall be strictly adhered to during course of construction.

(e) Fire Safety Certificate

The building must be constructed in accordance with the Fire Safety norms as mentioned in National Building Code of India, 2016 and further amendments thereof. The Owner shall submit Fire Safety Certificate in respect of Commercial, Residential and Industrial Buildings duly certified from the Registered Architect. The Owner/ Registered Architect/ Registered Structural Engineer, shall be held responsible if any accident is caused at the site, during the course of construction.

(f) Intimation with regard to Proceeding (Violation/Misuse) or any Litigation pending in any Court

The Owner through Architect shall intimate in writing about any Proceeding (Violation/ Misuse) or any Litigation pending in any Court or authority with regard to the Commercial (SCFs, SCOs, Booths, Service Shops, Bay Shops and similar buildings), Residential and Industrial Buildings upto 2 kanal category governed by Architectural Control Sheets/Frame Control Sheets/zoning, at the time of submission of building plans.

11.1.2 (iii) Validity of Self Certification :

Self Certification of the Commercial buildings (SCFs, SCOs, Booths, Service Shops, Bay Shops and similar buildings), Residential and Industrial Buildings upto 2 kanal category governed by Architectural/Frame Control Sheets/zoning given by the Registered Architect shall be valid for five years from the date of Self Certification of the Building plans and submission of sanctioned plan in the Estate Office, UT, Chandigarh.

11.1.2 (iv) Damp Proof Course (DPC) Certificate :

The Registered Architect shall submit a Certificate that the construction of building has been completed upto DPC level as per the sanctioned plan under Self Certification Scheme. The Estate Officer shall verify the certification and shall issue consent/ comments within 15 days of receiving such certificate. The DPC certificate shall be deemed to be accepted, if it is in conformity with the rules.

11.1.2 (v) Change of Owner/Architect/Structural Engineer/Licensed Plumber during Construction :

After submitting the application or during the construction of building if the Owner/Registered Architect/Registered Structural Engineer is changed, he/she will intimate the Estate Officer in writing that he/she is no longer responsible for the project from the date of actual dispatch of this letter. The information must be sent within seven days of occurrence of the change to the Estate Officer by the respective Owner/Architect/ Structural Engineer. The construction work shall have to be suspended until the new owner/Architect/Structural Engineer, as the case may be, undertakes the full responsibility of the project with forms and documents submitted for erection/ re-erection of the building within seven days of such change. The Owner's intimation regarding change of name of professionals or any other person authorized by him shall be considered to be final by the Estate Officer.

1.1.2 (vi) Action for Wrong Information :

If the Owner/Architect/Structural Engineer submits a wrong information while submitting application under the Chandigarh Building Rules (Urban) 2017 or if any additional construction or violation is reported to exist at site till completion or has concealed any material fact or has misrepresented regarding completion of building along with its eligibility for seeking occupation certificate or before the Completion of such report, he/she shall be jointly and severely held responsible for the same. Further, a complaint against such Architect for suspension/cancellation of his registration shall be forwarded to the Council of Architecture. The owner shall also be liable to pay penalty as decided by the Estate Officer, after giving an opportunity of hearing. Further, if it is emerged that the information is concealed by the Architect/Structural Engineer, necessary penal action will be initiated along with debarring Architect/Structural Engineer from practice in Chandigarh.

11.1.2 (vii) Decision of the Competent Authority :

The Estate Officer, UT, Chandigarh reserves the right to check the building plans, and construction at any stage and if any violations are found, the same shall have to be rectified by the owner. In case the owner fails to rectify the violations, the Estate Officer may take necessary steps to remove the violations. Further, action shall also be taken against the defaulting Architect by referring his case to the Council of Architecture for taking suitable action under the Architects Act, 1972 and the rules framed thereunder for the misconduct and further, he shall be debarred from practice in Chandigarh. All rectifications shall be done at the risk and cost of the owner and no plea of the owner shall be entertained for any wrong action committed by the Architect engaged by him. In all such cases, the self-certification of Building Plans shall deemed to be cancelled and the deemed sanction of the building plans shall be revoked by Estate Officer.

At any stage during construction, if the Architect notices that the violations are taking place, he shall intimate to the Estate Officer about such violations along with photographs with regard to the violations and stop further supervision. He shall also intimate the owner about the violations and advise him to stop further construction. Complete details along with photographs shall be submitted to the Estate Officer. The Estate Officer shall immediately issue a notice to the owner on the basis of intimation received from the Registered Architect to suspend further work. In such cases the owner shall be held responsible for further additions and violations. Such a situation shall automatically annul the process of Self Certification."
